# TWD Sample Identification

**COST-EFFECTIVE AND VERSATILE; LABEL ALL OF YOUR LABWARE!**

## Laser Etching

Utilize Existing Patches on Labware to Save Money

If No Existing Patch, TWD Can Apply White Patch to Labware

Permanent; No Added Label Diameter to Hinder Placement or Peel Off

Resistant to Solvents, Concentrated Acids/Bases, Temperature Extremes

## Adhesive Label

Non-Permanent Labels for Tracking Disposable Labware

Cryolabels Withstand Freezer Conditions to -196°C

XyResist Labels Protect Against Xylene, DMSO, and Alcohol

Polyolefin Labels Resist Flagging on Narrow Diameter Tubes
